

THE FOUNDATION'S DONATION POLICY

The Fondation Luc Maurice was created to develop the community outreach program from Le Groupe Maurice, which continues to blossom and refine itself since the company was founded in 1998. Its donation and sponsorship policy encourages a well-planned, coherent and fair management of its budget which comes from Le Groupe Maurice, Luc Maurice himself, and outside donors, to improve the well-being and personal growth of senior

The Fondation Luc Maurice favours organizations that fall within the following three categories: **Health, Socialization** and **Recognition**.

ASSESSMENT OF APPLICATIONS

Applications for donations or sponsorships are assessed on a quarterly basis, during a meeting which includes the Foundation's Directors and General Director.

A donation will be granted if the cause of the applicant is viewed favourably by the majority of Directors and if the submitted file is complete.

Additional information may be required from the organization if the application is considered to be incomplete.

While the donation or sponsorship application is being assessed, the Director General may be asked to meet with the organization submitting the application to refine his or her assessment.

GRANTING DONATIONS

The process of granting donations and sponsorships is based on the following principles:

- > The donation can be paid in one or more instalments
- > The renewal of the donation is not made automatically every year.
- > Each new application must be submitted for assessment.
